

Name: _____

Lauramusic Studio I Love Practice Challenge 2016!

Practice 29 days in a row for a prize (it's a surprise!) If you are going to be out of town and miss practice days, let me know ahead of time and I'll give you worksheets to do instead of practice on those days!

Place a check in each heart to track your practice for February. Double days of practice are NOT allowed, you have to practice every day!
